A. INTRODUCTION

Throughout this Amendment these entities are referred to as follows:

Ekwok Village Council	=	Council
Alaska Native Tribal Health Consortium	=	ANTHC
Cooperative Project Agreement	=	CPA
Denali Commission	=	Commission

On July 24, 2006, ANTHC and the Ekwok Village Council executed a CPA authorized by the Denali Commission to complete the conceptual design for a new health clinic in Ekwok, Alaska. No construction was performed under this project phase.

The project was funded with \$25,750, via Denali Commission Financial Assistance Award No. 0146-DC-2004-I29, Addendum E, dated February 2006.

B. REVISION OF PROJECT FUNDING

This Amendment adds \$4,250 of ANTHC management fees, via Denali Commission Financial Assistance Award No. 0146-DC-2004-I29, Addendum H, dated January 2007.

Project funding therefore totals \$30,000.

A revised cost estimate table is provided below.

Job Type	Scope of Work	Qty	Units	Unit Cost	Total Cost	Funding Source
						Denali FY04
M-DS	Conceptual design	1	LS	25,000	25,000	25,000
Ekwok Award					\$25,000	\$25,000
M-PP	Professional Operations Charges				750	750
M-PP	ANTHC Support Services Charges				4,250	4,250
Total Award					\$30,000	\$30,000

This document constitutes Amendment No. 1 to complete the conceptual design for a new health clinic in Ekwok, Alaska. All other sections of the original CPA remain in effect as agreed upon and executed.

MEMORANDUM

DATE: March 2007

FROM: Director, Central Engineering Services

SUBJECT: Ekwok Village Council – Environmental Review
Project No. AN 05-GG0, Amendment No. 1

TO: FOR THE RECORD

Federal funding for this project requires an environmental review in accordance with the National Environmental Policy Act (NEPA) and the National Historic Preservation Act (NHPA). The Alaska Native Tribal Health Consortium (ANTHC) has considered all potential environmental concerns (specific and cumulative effects) associated with the project in consultation with applicable federal, state, and local authorities. An environmental review was completed in June 2006 with respect to the proposed health facilities construction at Ekwok, Alaska under Project No. AN 05-GG0. This Amendment will not change the scope outlined in the original document. No additional environmental review is necessary at this time.

The ANTHC will revisit this environmental review to determine if potential environmental concerns have been addressed if the scope of work changes.
